Fire Chief

Revelstoke and Area, with an estimated population of just over 8,000 has built a reputation for community living in a spectacular and historic mountain setting. The community is rich in natural environmental beauty and offers many opportunities for new and expanding businesses. If lifestyle is your key to happiness, then Revelstoke is the place for you.

Revelstoke prides itself on its rich heritage and spectacular scenery. This is a community that has succeeded in diversifying its economy by taking advantage of a multitude of resources readily available in its own backyard. Residents enjoy many cultural events, and value the wide range of local community and business services available.

Revelstoke is internationally recognized as a destination for many outdoor pursuits. With breathtaking scenery in all directions, residents and visitors enjoy hiking, mountain biking, ski touring, heli-skiing, snowmobiling, downhill skiing, snowboarding, Nordic skiing, dirt biking, river rafting, canoeing and kayaking. Formal recreational activities include a full service community centre, aquatic centre and seniors' activity centre, an 18 hole golf course, bowling lanes, fitness centres, tennis courts, skating arena and curling rink. The area boasts two national parks, three provincial parks, several municipal parks, hot spring developments, and an abundance of camping opportunities. Revelstoke Mountain Resort, with the most vertical (5620') in North America, was awarded the 'Best Canadian Ski Resort' distinction at the World Ski Awards held in Kitzbuhel, Austria.

The City is looking to attract a progressive and accomplished Fire Chief to join our team. Responsible for overseeing development and the operating functions of the Fire Rescue Department we are seeking candidates who can demonstrate strong organizational, interpersonal and communications skills and have firefighting qualifications geared towards the management and operation of a modern fire rescue service. The Fire Rescue Department comprises a composite department staffed with professional firefighters complimented by dedicated volunteer members of a Fire Rescue Society.

The successful candidate will have a minimum of ten years of experience in a career or composite department, certified in NFPA 1001 at level 1 & 2 with Fire Officer Certification, Emergency Management certification or equivalent, and a valid Class 3 with air endorsement driver's license.

We are looking for a motivated team player that understands the value in providing excellent customer service to the community and strategic advice to the City. Our ideal candidate would be a strategic thinker, able to professionally communicate well-considered, accurate and innovative advice to City Council and staff in support of fire rescue services.

We offer a competitive salary and excellent benefits package, a supportive team-oriented work environment and opportunities for career and professional development.

If you are interested in applying for this opportunity please submit your resume and a covering letter including three references to:
