

CITY OF
CHILLIWACK

Captain – Chilliwack Fire Department Training Division

You are a successful fire service training leader whose passion for excellence draws you to our dynamic, values-driven fire department.

Your enthusiasm for training and your outstanding organization, interpersonal and team building skills allow you to develop, lead and participate in leading edge, creative and highly effective training activities.

Reporting to the Assistant Chief, Training & Operations, you support and role model the Department's core values of safety, respect, teamwork and customer service. You assist our evidence-based management team to achieve safe, effective and efficient operations by leading the development, implementation and monitoring of a professional fire training program.

You have diverse supervisory responsibilities for career and paid on-call (POC) staff within our successful composite fire department. You support and liaise with the chief officers, administrative support staff, career and POC fire officers & firefighters and various external agencies.

Your success in this role includes having at least 6 years of fire-fighting experience including extensive training and proven success as an instructor. You have successfully completed National Fire Protection Association (NFPA) 1001 Fire Fighter Level 2, NFPA 1021 Fire Officer Level 2 and NFPA 1041 Fire Service Instructor Level 2. You are currently certified as a BC Fire Service Evaluator and have a current First Responder Level III license. You possess a valid Class 3 BC Driver's License and Air Brake Endorsement. You are familiar with relevant federal and provincial regulations, standards and laws that impact training activities.

We offer a very competitive salary and benefits package for this IAFF position, and a great work environment that prides itself on employee satisfaction.
