Resuming domestic community-based contract course delivery

The JIBC Fire & Safety Division is excited to announce the highly anticipated return of domestic community-based contract course delivery after suspending all face-to-face JIBC training in mid-March due to the COVID-19 pandemic.

Domestic community-based contract course delivery is available for training and evaluation that cannot be achieved in an alternative format. In order to ensure the health and safety of all participants involved, clients hosting this activity will be required to meet JIBC COVID-19 safety requirements, the details of which can be provided by one of our Regional Training Coordinators.
